

MISSION

To insure the inclusion of the cultural heritage of the Arts in Marshall County, aid in providing venue opportunities for Arts presentations by and for the citizens of Marshall County and assist in securing financial support for these provisions. The Commission seeks to serve as a catalyst in the education and development for an appreciation of the Arts as a whole and all the disciplines therein.

The Kentucky Arts Council, a state agency in the Commerce Cabinet, provides operation support funding for the Marshall County Arts Commission with state tax dollars and federal funding from the National Endowment for the Arts, which believes that a great nation deserves great art.
